BULLETIN No. 1

WITH GRADE COUNTS

February 20, 1946

PRICES PRINTED IN THIS LIST SUBJECT TO CHANGE WITHOUT NOTICE

LONG DISTANCE PHONES
406 - 407

TERMS AND CONDITIONS OF SALE

Terms-2% discount for cash if paid on or before 10th of month following date of invoice, and is due NET 30 days thereafter.

Cash security, or satisfactory reference is required from unknown parties. Orders to be sent C. O. D. should be accompanied by one-fourth cash. Interest charged on past due accounts.

PRICES—Apply upon the following quantities: Fruit Trees, Shade Trees, Shrubs, Roses, Vines, PERENNIALS (including PEONIES and LILIES).

300 or more take 1000 rates where published.

30 to 300 take 100 rates.

Under 30 take 10 rates.

All grades and varieties in any one class are allowed to make up total. Example: All kinds of fruit trees will be considered as one class and all varieties of shrubs as one class, etc.

SMALL FRUITS, HEDGING, PRIVET and ALL SEEDLINGS 300 of same variety and grade take 1000 rates. Under 300 of same variety and grade take 100 rates.

EVERGREENS, BALLED and BURLAPPED 30 trees (any assortment) take 100 rates. Under 30 trees (any assortment) take 10 rates.

FALL AND SPRING BULBS

300 or more bulbs (not less than 50 of any one variety) take 1000 rates. Under 300 bulbs take 100 rates.

BROKEN LOTS-The wholesale prices in this list apply only on Wholesale Quantities. Orders should call for ten of a kind and size, and beyond that for multiples of ten.

SPECIAL NOTICE—The prices named in this list cancel all previous lists and are SUBJECT TO CHANGE WITHOUT NOTICE. All sales and contracts are made subject to crop losses or other causes over which we have no control.

SHIPPING—We request customers to give definite shipping instructions regarding manner in which they wish goods shipped. In the absence of special instructions we use our best judgment, but without assuming responsibility. All shipments travel at risk and expense of purchaser.

TRUCK DELIVERY—We are able to give truck service on full loads to many points at equal or lower than local freight rates. This means delivery to your door. Some customers prefer to employ their own trucks which is satisfactory; but, in this case, we will appreciate two or three days advance notice—giving us ample time to have your stock ready for loading.

PACKING-No charge for packing bulk cars. Bales and boxes will be charged at actual cost of material and labor used.

CLAIMS—FOR ANY CAUSE MUST BE MADE PROMPTLY UPON RECEIPT OF GOODS. WE WILL NOT ENTERTAIN CLAIMS AFTER GOODS HAVE BEEN ONCE ACCEPTED, OR WHEN REPORT IS NOT MADE IN WRITING WITHIN TEN DAYS AFTER ARRIVAL OF STOCK.

GUARANTEE-WE GIVE NO WARRANTY, EXPRESSED OR IMPLIED, AS TO LIFE, DESCRIPTION, QUALITY, PRODUCTIVENESS, OR ANY OTHER MATTER OF ANY NURSERY STOCK, SEEDS OR PLANTS THAT WE SELL. IT IS MUTUALLY AGREED THAT OUR TOTAL LIABILITY FOR ANY ERRORS, SHOULD STOCK PROVE UNTRUE TO NAME AS LABELED, SHALL BE LIM-ITED UPON SATISFACTORY PROOF, TO OUR REPLACING FREE OR RE-FUNDING PURCHASE PRICE.

THE SHENANDOAH NURSERIES

D. S. LAKE, President

K. D. HOLMES, Vice-Pres.

A. D. HUNT, Treas. R. S. MULLISON, Vice-Pres. F. E. TUNNICLIFF, Sec'y.

SPECIAL NOTICE TO FRUIT TREE GROWERS

Our fruit tree seedlings have made up much better than we anticipated early in the season. We, therefore, are in a position to offer substantial quantities of Mahaleb, Myrobolan and Mazzard in all grades.

These seedlings are among the best we have ever grown, they are well graded and have been properly handled. ORDER NOW. We know you will be well pleased.

For prices see Page 9 of this list.

Write for special prices in quantity lots.

SUBJECT TO UNANGE WEEKOUT NOTICE

A field of our Mahaleb Myrobolan and Mazzard growing in Oregon Mt. Hood can be seen in the distance.

Please note that caliper shall govern the size of fruit trees. The height given below represents the average height of most varieties.

All Fruit Trees are tied: 11/16 and 9/16, 10; 7/16 and 5/16, 20 per bundle.

HANSEN'S BUSH CHERRY

(Improved Besseyi)

The fruit is large, sweet, shaped like a plum. Very hardy and bears well in poor soil. Will bear fruit first year planted.

FOREST TREE SEEDLINGS

Ash, Hackberry, and Russian Olive are ideal windbreak trees; drought-resistant, disease-free, long-lived and hardy.

Our seedlings are all carefully graded, the crooked and poor seedlings being discarded. We are confident that our stock will please you.

ORNAMENTAL and SHADE TREES

Our Ornamental and Shade Trees are first-class, well-shaped, nursery-grown trees, transplanted and properly spaced to allow ample limb spread.

All calipers are taken 6 inches above the collar.

EVERGREENS

(Balled and Burlapped)

Our Evergreens are all grown at good distance for symmetrical development, are root-and top-pruned into handsome, shapely trees that will transplant successfully if given average care. Evergreens that are selected and marked by customers in the Nursery will carry ten percent addi-

tional charge above the following listed price.

All evergreens sold with the distinct understanding that if they arrive in good condition and are accepted, our responsibility ceases.

Evergreens can be supplied with the roots puddled if desired at 15¢ and 20¢ reduction from the listed prices on 18 to 24 inch and 2 to 3 foot sizes respectively.

Customers desiring the tops of Evergreens wrapped in burlap will be charged at cost for the extra labor and burlap used.

HARDY PERENNIAL PLANTS

Our assortment of Hardy Perennial, Alpine and Rock Garden Plants includes a very select list of the newer varieties as well as the indispensable old favorites.

We offer Field Grown, clean, well-rooted individual plants that are vigorous and free from disease.

Our Perennials are properly packed with fresh, clean packing material in well ventilated boxes.

All perennials are very perishable and should be shipped by express.

Perennials offered in this section are bare-root. Starred varieties (*) especially suited for rock-garden.

ACHILLEA, Milfoil or Yarrow Ptmarica, The Pearl. Large double white. 18 in. June-July.		10 20	Per 100 \$ 10 00

OUR PROPAGATING GREENHOUSES AND PERENNIAL BUILDING

Since this picture was taken two more greenhouses have been added

PEONIES

We are growing the best of the old and many of the recent introductions of exceptionally outstanding merit.

The roots offered are strong 3-to-5 eye divisions, true to name, from healthy three-year old clumps.

Number after name of variety represents rating given it by the American Peony Society.

	Per 10	Per 100
Claire DuBois (Crousse 1886) 8.7. Very large globular flowers. Rich satiny pink. Late midseason.	2 90	\$
David Harum (Brand) 8.4. Soft Tyrain rose without stamens. Midseason.	5 00	45 00
Festiva Maxima (Miellez 1851) 9.3. White, center crimson-flecked. Early.	4 00	35 00
Grover Cleveland (Terry 1904) 8.2. Rose type. Very large, full dark crimson blooms. Strong grower. Late midseason.	3 20	28 00
Harry L. Richardson, 8.4. Rich, glowing carmine-red of extreme lustre and beauty. Very late.	8 00	
Judge Berry (Brand 1907) 8.6. Attractive large flat flowers of delicate pink. Very early.	3 70	32 00
Lady Alexandra Duff (Kelway 1902) Soft delicate pink. Main blooms double, side blooms usually single, resembling water lilies. Midseason.	3 20	28 00
LaPerle (Crousse 1885) Soft pink shading to pure white. Mid-season.	2 90	2 5 00
Longfellow (Brand 1907) 9.0. Brilliant cherry red; very large. Early midseason.	5.00	
Lord Kitchener (Renault 1916) 7.6. Rose-type flowers of brilliant cherry red. Free-flowering. Very early.	3 70	32 00
Martha Bulloch (Brand 1907) 9.1. Rose type. Mammoth cupshaped blooms. Deep rose pink with center shading to silvery shell-pink in the outer petals. Late.	5 50	50 00
Mikado (Barr 1893) 8.6. The guards are velvety crimson enclosing a cushion of crimson petaloids edged gold.	5 00	45 00
Mme. de Verneville (Crousse 1885) 7.9. Pure white, center crimson flecked. Early.	3 50	30 00
Mons. Jules Elie (Crousse 1888) 9.2. Glossy lilac-pink shading to deeper rose at base. Early mid-season.	5 00	45 00
Mons. Martin Cahuzac (Dessert 1899) 8.8. Dark garnet-purple with black reflexes. One of the darkest peonies, Midseason.	7 20	65 00
Mrs. F. A. Goodrich (Brand 1925) 9.0. Large, deep pink flowers with great broad petals. Fragrant and very late.	9 50	85 00
President Roosevelt (Warnaar 1905) 7.5. Deep, rich, brilliant red. Midseason.	2 90	25 00
Richard Carvel (Brand 1918) 8.8. Flowers bright, all one shade of crimson. Guard petals large, broad and prominent. Center petals make immense dome. Early.	5 00	45 00
Souv. de Louis Bigot (Dessert) 9.1. Vivid rich pink with a salmon undertone. Attractive and free flowering. Midseason.	4 50	40 00

To Our Customers

We sincerely regret our inability to fill all the orders you favored us with the past few years.

Now that the war is over many of our employes have returned from the service and we are constantly endeavoring to build up our production. By so doing we hope it will not be too long until we will be able to give you the traditional SHENANDOAH NUR-SERIES service.
